

Site rules

Op- en overslaglocatie (O&O)

Visitor entrance | Oude Roderweg 20, Heerlen

Rd4 entrance | Nijverheidsweg 17-21

Rd4

General

- No entry for unauthorised persons. Enter at your own risk.
- CCTV is used for safety.
- Dutch traffic laws apply, unless stated otherwise.
- Always follow instructions from Rd4 staff.
- Rd4 is not liable for damage to or theft of personal property.

Fire safety

- Keep fire-fighting and safety equipment clear and accessible.
- Smoking is not allowed anywhere on site.

Communication devices

- Mobile phones may only be used outside on the footpath behind the guardrail.

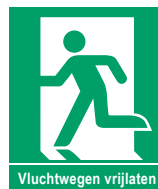

Personal Protective Equipment (PPE)

- Safety shoes (S3) are required outside the green walkways and when working.
- A safety helmet is required across the site, except on the green walkway.
- A person detection device is provided and must be worn as instructed.

Loading and unloading

- Loading and unloading is at your own risk.
- Unloading hazardous waste (e.g. asbestos) is not allowed.
- Clothing that covers the skin is required during loading and unloading.
- Loaders and passengers must stay in the vehicle during loading and unloading.
- Do not leave the engine running unnecessarily in the hall or bunker.
- Nets and covers may only be fitted at the marked area and as instructed by Rd4 staff (using the platform stairs).
- Do not stand on the load or drive with an uncovered load.
- Do not collect or take materials or substances from the waste.
- Waste is only accepted under Rd4's acceptance rules.

General

Smoking and open flames prohibited

Phones and earphones prohibited

Op- en overslaglocatie (O&O)

Visitor entrance | Oude Roderweg 20, Heerlen

Rd4 entrance | Nijverheidsweg 17-21

Walking on site

- Drivers may only leave their vehicle when necessary for their work and must stay close to the vehicle.
- Yellow walkways may only be used with permission from the site manager (except O&O staff).
- External companies may only work with a valid work permit and permission from the site manager. Registration at the weighbridge office (Oude Roderweg 20) is required.

Eye contact with machines/vehicles

- Only pass machines and vehicles after making eye contact with the driver or operator: **you see me, I see you.**

In case of emergency

- Call 112, call the Rd4 emergency number: 06-23504215 and inform your Rd4 contact immediately.
- Stop work and make the situation safe, if possible.
- Follow the green emergency exit signs and go to the emergency assembly point.
- Always follow instructions from emergency staff and the fire brigade.

Alcohol and drugs (Possession and use)

Eye contact required

Zones

By entering the Rd4 site, you confirm that you have read, understood and accepted these site rules.
Following these site rules is mandatory.

The site rules are available at: rd4.nl/terreinreglement
